Disclaimers:

1. *Individuals or families: You do not have to thank us by giving a donation, ever. Our services are ALWAYS free of charge, no strings attached, ever. We do this because we want to help you and because we learn more about the paranormal in doing the investigation for you. All of our services are completely free before, during, after the situation and there is NEVER an expectation that you make any kind of donation. Our reward is to know that your situation improved or was resolved.*
2. *Organizations/Companies: Please understand that giving a donation or sponsoring will not imply that GLPRT will do an event or investigation quicker, or longer, fancier or for the donation to be attached with specific instructions on how we will do our work. What, why and how we do things have specific structures in order to safeguard the collection of data and safety of all involved. If you have further questions, comments for clarification, please contact us.*
